Potter's WAX MUSEUM

ST. AUGUSTINE, FLORIDA

The pages of History and Legend come to life in Potter's internationally famous Wax Museum. Magnificent figures of ancient and modern history, religious leaders, poets, composers, artists, writers, explorers, philosophers, kings, queens, presidents, premiers, generals . . . all authentic, life-sized, sculptured re-creations of the men and women they represent, as they looked in their day.

Guided Tours are conducted through the Museum by experienced and courteous persons, well-learned in the historical background of each and every figure. As they unfold the romances of the centuries, the authentic recreations of these personages stand before you. A never to be forgotten thrill.

Each figure is imported from England. The hair is human hair from Italy and is put in the figure one by one. Glass eyes are made by Czechoslovakians in West Germany. The wax is imported from France. All clothing is designed and made by the costumers for the Court of St. James, the greatest costumers in the world today.

Thousands of visitors to Potter's Wax Museum acclaim its fame and authenticity. Open daily from 8:30 A.M. to 10:00 P.M. Sundays 1:00 P.M. to 10:00 P.M.
